

Cartridge and Expandable Media Air Cleaners

Use with Forced Air Heating / Cooling Systems

For Most Residential or Light Commercial Applications

Designed for Maximum Air Flow

Minimizes System Pressure Drop

Rugged Steel Construction

5 Year Limited Warranty on Air Filter Cabinet

Uses No Electricity

Saves Energy Compared to Electronic Air Cleaners

High Quality Media Included

Just Install and Go

Six Easy-to-Install Cabinets

Can Replace Over 35 Competitive Models

Cartridge Media Air Cleaners

Economical Solutions

- Low Pressure Drop Media Helps System Function at Full Efficiency
- Universal Direction Inline Mounting for Cost Effective Installations
- 2000 CFM (162025) and 1400 CFM Designs (162020, 161625)

Right Angle Air Cleaner

Space Saving Solution

- Low Pressure Drop Media Helps System Function at Full Efficiency
- 24 Inch Wide Inlet Adjusts from 8 to 10 Inches Deep
- 2000 CFM Rating

Expandable Media Air Cleaners

Value Added Solutions

- Built-In Air Filter Gauge Helps Determine Media Replacement Needs
- Extra Deep Pleats Extend MERV 11 Media Life Up to 12 Months
- 2000 CFM Rating
